

## **JR GOLDEN REUNION NEWSLETTER No. 6**

The program has almost been finalized and costed and has been placed onto the website for all to peruse and digest. We are still waiting on confirmation of the HMAS Stirling arrangements in November '09. This is our suggested program for each day and it is neither compulsory nor exclusive of anything else you may wish to do. At the 'meet and greet' will be representatives from WA Tourism to provide comprehensive details of much more for everyone to see and do whilst in WA. We sincerely hope that you will spend some extra time here to enjoy what we have to offer our visitors.

### **Table bookings for Gala Dinner 13 July 2010**

Seats are limited and therefore will initially be sold to JR's and partners exclusively. Should anyone wish to obtain an extra ticket, then we will see if there are any unsold tickets after the cut off date. Should there still be tickets available at that time, then they can be sold to other people who are family or friends. Please ask for these extra tickets at the time of booking your own tickets and the names of the extra persons will be put on a provisional list to be supplied should the seats be available after the cut off date.

### **Cut off date is 15 March 2010**

All persons applying for seats should be registered with the organizing committee. The Gala Dinner is being held for JR's and their partners. Tickets for other registered persons will only be sold after all JR bookings have been filled for the Gala Dinner. This restriction applies to the Gala Dinner only. All other functions are available to all registered members of the Golden Reunion on a 'first in' basis.

The Ticket Master is Ian Dunn and he will accept table bookings of 6, 8 or 10 persons for the table plan. All names are to be supplied with the booking, along with the sum of \$125.00 per person, to be paid by cheque or bank transfer to the Treasurer Alan Rodgers who will advise Ian of your booking arrangements.

The program details, which are now on the Website, are having the finer details polished and put in place.

We are putting the final touches to the 'Recovery Function' at Ramon's place on Wednesday 14 July 2010. This will be a great day and should not be missed. A local DJ has been lined up to entertain us with music and comment from the 60's, 70's and 80's. There will be audio and visual entertainment available. The Trots night on Friday 16 July 2010 has been all squared away and will be a terrific night of fun with the opportunity to win some cash from the 'Bookies'.

Please note: the Rabbits on the webpage indicate PORT AND MUSCAT  
The order form is as follows: Port is the large bottle - Muscat is the small bottle

Please also note that there will be **ONE** piece of the mast available to each member. Money received for more will be refunded at a later date.

Our Secretary Trevor Cangemi is away in his caravan for a well-earned holiday. He is out of range for Emails and we are hoping he comes back – there is more work for him to do.

Please also note that there have been quite a significant of email addresses bounce; if you do change your Internet Service Provider please do not forget to let us know. We will be sending information out to everyone else except you.

All in all we are looking good for a really terrific reunion – one to remember for sure!

Kind regards  
Your Committee
